Smiley® Collection

For the past 50 years Smiley® has embraced positivity, creativity, and collaboration, inspiring forward-facing optimism around the world.

A lifestyle brand that encourages everyone to express more empathy, compassion, and gratitude, Smiley is determined to build a better future - this starts by taking the time to smile.

As a Dutch design studio founded to design fun and minimalist products, we completely support this belief.

Therefore we are overjoyed to team up with Smiley® on an exclusive 3D textured rug and blanket collection: a super-soft and above all super-fun series of rugs and blankets, made from 100% New Zealand wool.

To join forces with Smiley® makes us smile!

100% **New Zealand wool**

The Smiley® Rug Collection is hand-tufted from high-quality 100% New Zealand wool by artisans from India. This natural and durable material is super-soft underfoot.

3D textured

The woolen rugs feature different levels of pile heights with carved accents to create a subtle 3D effect. A unique 3D texture that pops right off the floor. This beautiful technique adds a sensory and fun element to the rugs and brings the design alive.

fairtrade
