

The Bon Ton Toys x WWF Plush Collection consists of a wide range of soft lifelike plush exclusively created for the World Wide Fund for Nature (WWF).

The collection is sold in over 50 countries worldwide in the best and most beautiful shops and department stores. For every plush sold a donation is made to your local WWF office to support their conservation efforts.

All Bon Ton Toys x WWF plush are sustainably made and last a lifetime. They are manufactured by hand, according to the highest standards and always contain 100% recycled polyester filling.

Our suppliers are carefully selected and all meet the “ethical supply chain” (ICTI) status.

BY BUYING A WWF PLUSH YOU MAKE A DONATION TO WWF

We scored 29.1 above B Corp entry mark

WAAAAY above the 80-point certification average and most B Corp companies. The B Corp label is a certification companies can earn based on their social, environmental and accountability efforts. Prioritising not just financial gain, but the well-being of people and planet as well.

1% is the least we can do

We're proud to say that from this year, we are a certified 1% For The Planet Member.

1% For The Planet is a global network of companies that pledge to donate at least 1% of their annual sales to environment organisations.

A percentage we tripled last year! We may not be Patagonia just yet, but we're proud to be doing our part.

Raising funds together for nature.

**THE WWF PLUSH COLLECTION HAS BEEN
CATEGORISED INTO SIX THEMES:**

WILDLIFE

**FRIENDLY
FOREST**

**OCEAN
DREAMS**

**ICY
ARCTICS**

**ECO

The Beo Ton Toys HQ is based in Amsterdam, The Netherlands

It's the heart of our company and the place our design team first comes up with new plush ideas.

These ideas are brought to life at the factories we work with. We work with great factories in China & India, all carefully selected and all meet the "ethical supply chain" (ICTI) status.

HANDMADE

ICTI is committed to build better lives for workers and monitor the industry through the ethical production of toys.

Certified
B Corp
Member

Since 2021, we are a B Corp certified company AND 1% For The Planet Member. A global network of companies that pledge to donate at least 1% of their annual sales to environmental organisations.

ETHICALLY PROVED

We have even created several plush lines so far, made completely out of recycled polyester! Anything to help reduce our footprint and create only with the highest regard for nature.

Once our plush is finished, they go through very strict, high quality, controls. Safety is our top priority!

100% Recycled PET filling

Durable plush, made to last a lifetime and ready to be your new best friend!

When the collection are ready, the plush go on a long journey overseas.

We carefully calculate our transport and waste not a breath of air to ensure the most sustainable way of travelling.

All Beo Ton Toys plush are made by hand, with the finest fabrics and carefully selected materials. Not to mention we use 100% recycled polyester filling for ALL our plush!

And then they arrive in the Netherlands! All ready to spread joy and hugs all round! Have you spotted them yet?
